***Production Tap Fee:** There will be an additional 1 time fee of \$50 for all production tap students. This fee will cover the extra entry fee money (since we need to pay more for extended time at competition), extra rehearsal time, and props. This fee is due at registration.

***PLEASE SEE SOLO/DUO/TRIO ENTRY FEE INFO. ON SOLO/DUO/TRIO REGISTRATION FORM.** Solo entry fees are \$145 per dance X 3 competitions. Duo/Trio Entry fees are \$95 per dance X 3 competitions. Solo/Duo/Trio Fees are due October 1st, November 1st, and December 1st.

BULLYING/CYBERBULLYING

Bullying at the studio, or on social media, will not be tolerated. We ask that students/parents please let us know if this is going on. The past 2 years we have had to speak with a few students, so we have decided to take an even stronger stance. Any student who is caught bullying on social media or at the studio will no longer be a part of SODA. This rule will be STRICTLY enforced.

COMPETITION ETIQUETTE

Please attend all competitions with a friendly and positive attitude towards all dancers and supporters from our own studio as well as other studios. Please remain quiet while backstage, change costumes quickly, and be sure to arrive at your call time with hair and make up done. Please do not venture into other areas of the school/theatre, and please do not touch or move things that are the property of the venue. Not only is it important to respect the venue, but this could result in disqualification. Please be sure to pick up all of your trash, hair pins, safety pins, etc.... Most importantly, enjoy your time on stage and have fun!

ABSENCES

Attendance is vitally important not only for the individual student but for the entire group. If a student misses more than 4 of the same classes (for example...if a student misses their ballet company class more than 4 times) they may be removed from the choreography. Students who come in to class more than 10 minutes late will be counted as a half absence (if students are continually coming into class late). If a dancer is injured, but is watching class and taking choreography notes, it will not be counted as an absence. However, if a dancer is injured or sick for an extended period of time, we may need to remove them from choreography until they are safely able to perform. Many times a dancer may be cleared to dance just 1-2 weeks prior to competition after being out for 6-8 weeks. Dancers are not always ready to perform at this time, and it is not always safe for the dancer. It will be at the discretion of the instructor, to decide when they are ready to perform. In the event that a dancer must be pulled from a routine, it is possible that fees cannot be refunded, as the competitions have a no refund policy. In the case of an injury, we will do our best to try to obtain a refund from the competition. If Students miss company classes due to school sports or other after school activities, this will also be counted as an absence. *This season our competitions are close together. It is HIGHLY recommended to attend the 2 classes between competitions.

DRESS CODE:

Ballet: Black leotard, ballet pink tights, ballet shoes (hair in bun) *check with instructor for style and color of shoes

Tap: Any dance attire students can move and stretch in with black tap shoes. (please see instructor for style of tap shoe). *Tap 6 & elite tap will need Miller & Ben Jazz Tap Masters. We will be placing a group order in the fall so students will receive discount pricing.

*For all other dance companies please make sure students are wearing dance clothing that they can stretch and move in (no baggy t-shirts or sweatshirts). Hair should be up in pony tail or a bun. Please see instructor for the style of shoe. If students wear dance shorts we ask that they please wear tights underneath.

AUDITS

Some teachers may choose to allow audits in their company classes (providing there is space, and audit is close to the level of the class). An audit will not normally participate in the recital or competition, and will not need to order a costume. Audits are a very important understudy, and should practice & learn the choreography in the event the teacher asks them to fill in.
