Tuition & Registration Fees

Tuition is based on a 9 month season (September - May), and is split into 9 monthly payments.

Tuition is not based on the number of classes per month, as this will vary month to month.

Holidays/Vacation weeks have been figured into the price.

There are no refunds for cancellations due to inclement weather.

In the event a class has 2 or more cancellations due to inclement weather, a make up class will be scheduled.

Please visit our website for the most up-to-date pricing on tuition & registration fees:

SODA Fitness Classes

This season we offer Zumba, Feet Up/Gentle Stretch, HoopFit and Fly Gym.

Fitness classes are posted by sessions with the exception of Zumba. Zumba runs from Sept-June with a monthly tuition. Walk-ins are available for Zumba.

Our Feet Up/Gentle Stretch, HoopFit and Fly Gym are offered by sessions (4-8 weeks at a time).

*****When you sign up for one of these sessions, you are making a commitment to attend ALL classes. Due to limited class sizes for ALL fitness classes (including Zumba), we CANNOT offer make-up classes or refunds if you are unable to attend a class.***

If you find that you are unable to make the commitment for a whole session, walk-ins are welcome provided spots are still available. Please message or email Kim at steppinoutdanceacademy@yahoo.com or call the studio to see if there are openings in the class that week.

Some exceptions are..

- If you sign up and pay for a session in advance but, due to unforeseen circumstances, know that you will be unable to attend the session, a refund will be available. Please keep in mind, this is not for a single missed class. **A single class that is missed (due to your inability to attend) WILL NOT be refunded or made up.**
- If the instructor needs to cancel due to snow, illness or any other unforeseen circumstances, we will do everything in our power to schedule a make-up convenient for the entire class. If this is not possible, we will issue a refund for those that signed up for the session.

Attendance

When students miss class frequently, this affects the class as a whole. Teachers are unable to plan spacing for dance routines and other students are thrown off in class and in performances when there are attendance issues. With this in mind, it is very important that guardians communicate with the studio/teachers when a student may be absent for a day or an extended period of time. In the event that you wish to DISCONTINUE ATTENDANCE, you must notify Enrollment & Billing by email at steppinoutdance@comcast.net so we can remove you from the class/classes. Tuition will be billed to your account until we receive written notification.

Costumes

Each class will be assigned a costume and our costume staff & teachers will be taking measurements in class during a select couple of weeks. (Watch for specific dates via email.) It is very important that your student is in attendance during these measurement weeks. Sizes will be selected according to the costume company's size chart. We have leotard sizing kits to help assist in choosing sizes.

Parents/guardians can aid in choosing sizes, but if sizes are not chosen on time, they will be chosen for you. There will be a fee associated with returns/exchanges. An email will be sent to families with a picture of the costume, any other items that must be purchased and the cost owed.

Guardians will be responsible for paying for the costumes on time, or the costume will NOT be ordered for the student not paid. Costume payments are processed via auto pay on October 10th (Company Classes) & December 1st (Recreational Classes).

If you would like to pay another way, please make your payment before the due dates above through your [parent portal](#) or at the front desk. **An additional \$10 processing fee will be charged per costume for late/declined payments.**

Costume prices vary depending on the style and company, but will run generally between \$75-\$130 (some company classes up to \$165). Combo classes will need a costume for each style dance they are performing. Teachers try to find combo costumes for younger age groups that may change slightly for each style dance. Older teenage combo classes will usually end up with 2 completely different costumes. Our aim is to keep these prices reasonable for families.

TIGHTS WILL BE INCLUDED in the cost of the costume to help alleviate any confusion when it comes to finding the correct style of tights. These will be ordered and included with the costume when it arrives. Please do not wear these tights to class, but save them for performances only. You may order/purchase any extra tights or tights needed for class at the front desk.

Guardians will be responsible for making sure students have the correct footwear for each class. (See recommendations below.) Capezio styles are available to be ordered at the front desk.

If you have any questions about costumes/dance attire, please email us at costumes.soda@gmail.com.
